More info...

CKAA is a 501c(3) **not-for-profit** youth athletic organization that supports the Greater Arlington area and beyond in Jacksonville, FL.

Our Mission is to develop youth through sports; both on the field and off, by focusing on fundamentals, sportsmanship, great coaching, and the right way to handle competition that will last a **lifetime**.

Our Vision is to be a premier organization with a world-class facility to develop athletes with **integrity, honesty, and fair play**.

Our **strength** will be in our Values that will **differentiate** us from other associations.

To fulfill our Mission and Vision; and to better support our youth, CKAA has several improvement opportunities that are desperately needed.

Our parents have raised money and put in countless hours to resurface the field for our children completely, now we shift our focus to the **batting cages, bleachers, concession stand, and equipment**.

For CKAA to tackle these projects, we need to raise funds. **We are asking for your support to help us achieve our goals.**

We look forward to showcasing your company and logo at our revered sports complex. Your company will be exposed to all our sporting events at the field(s) throughout the year.
